

# Oral Sedation Dentistry

## Instructions

You may be asked to pick up a prescription at the pharmacy, in which case you will need to carefully read the information provided by the pharmacist.

Do not eat or drink anything 4 hours prior to your scheduled appointment, except to take necessary medication.

Plan to arrive 30-45 minutes prior to your scheduled dental visit to take your oral medication.

Wear comfortable clothing for your appointment, we recommend you wear shoes, as opposed to sandals or flip-flops.

It is imperative that you have someone drive you home from your dental appointment. We will ask for them to come in with you, and leave us a mobile number where they can be reached.

After the treatment, for the rest of the day, you must not

- ✓ Drive an automobile
- ✓ Drink alcohol
- ✓ Operate machinery
